

An archaeological excavation of a human skeleton. The skeleton is laid out on a dirt surface, surrounded by large, light-colored rocks. A white scale bar with a red end is positioned at the top left, above a white label with the number '754' in black. The skeleton consists of a skull, a ribcage, and long bones of the arms and legs. The bones are light brown and appear to be made of wood or a similar material, possibly indicating a mummified or preserved body. The background is a mix of dirt and rocks, suggesting an outdoor excavation site.
